CIRCULAR

It has hitherto been the practice for the staff of the F.R.R.O., Delhi to investigate all offences committed by foreigners whether relating to violation of foreigners law/orders or the substantive law. The responsibility of the local police in such cases was not well defined. It is, therefore, ordered that in future, in cases of violation of foreigners law/orders, the initiative for action against the foreigners will rest with the office of the F.R.R.O. and the local police will only assist the FRRO in the investigation of such cases. In cases where foreigners are involved under the I.P.C. or other substantive law, the local police would be the right agency to conduct investigation, but the F.R.R.O. and his staff will be associated by the local police in the investigation.

No.T.4415/45/99

January 24, 2000

Under the Vienna Convention on Consular Relations India is obliged to inform, without delay, the Embassies/Consulates of foreign countries in India about the arrest, imprisonment, death etc. of their nationals in India. The Government of India is also obliged to provide consular access to the foreign Embassies/Consulates if a national of their country is arrested, placed under judicial custody or imprisoned to undergo a sentence.

It has been observed that often there are delays in conveying the information by the concerned district/division police officials to this Ministry. Often the delay occurs on part of the district/divisional police officials; at times the information is not conveyed directly to this Ministry and reaches us only through the Ministry of Home Affairs.

Several foreign Embassies/Consulates in India have raised the issue of delay in receiving the information about arrest/accident/death of their nationals in India. They have also raised questions about the circumstances leading to the arrest of their nationals and their treatment during their judicial custody/imprisonment in Jail.

I would, therefore, request you to instruct all the District/Divisional police authorities that this Ministry should be informed immediately about the arrest/injury or death of a foreign national in India. The details such as the reasons for arrest, causes of accident, reasons for death etc. alongwith full passport particulars and the contact address of the foreigner in his/her country, if available should be conveyed to this Ministry (Joint Secretary (CPV)/Deputy Secretary (Consular)./Under Secretary(Consular) by fax (Fax : 3782821, 3387281), (Telex Nos.: 031-61875 FRGN IN, 031-61878 to 81 FRGN IN) now present (Fax No.23384961, Tel. Nos. 23388648 and 23389165) or by post at the following address:-

Deputy Secretary(Consular),
Ministry of External Affairs,
CPV Division,
Patiala House Annexe, Tilak Marg,
New Delhi.

The District Police officials may also be directed to send this Ministry from time to time progress, reports regarding investigation/trial in cases involving foreigners. In cases of death of a foreigner reports such as death certificates, post-mortem reports/viscera analysis reports etc. as well as passports or other travel documents/identity cards etc. belonging to the deceased foreigner should be sent to CPV division of this Ministry at the earliest for onward transmission to the concerned Embassy/Consulate. The body of the deceased foreigner should not be disposed of in any manner without informing this Ministry so as to enable this Ministry to obtain the consent of the family members of the deceased through the concerned Embassy/Consulate for disposal of the body in India. The personal belongings of the deceased foreigners should be kept carefully and be handed over to an official from the concerned Embassy/Consulate or to a person/agency authorized by it.

May I also request you to suitably instruct all the District police officials that they should take utmost care in handling the cases involving foreign nationals so that allegations about violations of their human rights, ill-treatment etc. do not arise.

Yours sincerely,
