

STANDING ORDER NO. Traff. Mgt./04/2022

MANAGEMENT OF PRE-PAID TAXI & TSR SERVICE

INTRODUCTION

A large number of complaints from the general public are regularly received against Taxi and TSR drivers for over-charging, faulty meters, refusal, misbehavior, harassment, etc. Many more go unreported due to ignorance of legal remedies on the part of the passengers who are mostly in a hurry. Therefore, the Delhi Traffic Police had introduced the "Pre-Paid Taxi Fare System" first in 1986 at Delhi Airport, which was later extended to various Railway Stations, ISBTs, Hospitals and Markets. The Pre-Paid Taxi/TSR fare scheme is purely optional for passengers. The passengers are at liberty to avail Taxi/TSR through the Pre-Paid system on hire basis and pay the actual meter charges. This Scheme has been a subject of judicial discussion in the past, and the Hon'ble High Court of Delhi vide its order dated 13.12.1995 in C.W.P. No. 4991/1993 titled '*Delhi Taxi Man Union (Regd.) Vs. Union of India & Others*' has observed that *"....we find that that the said scheme (Pre-Paid Booth Scheme) is neither unfair nor arbitrary. It is purely a voluntary scheme and that there is no compulsion on any of the taxi operators to join the said scheme. A taxi operator may voluntarily of his own free will join the scheme or may at his own free option opt out of the scheme...."* In another subsequent case i.e. W.P. (C) No. 1705/ 2013 titled '*M/S Delhi Taxi Union and Ors. Vs. Northern Railways and Ors.*', the Hon'ble Delhi High Court has taken a similar view and ordered that *".....the Respondent No. 3 (Department of Transport, Govt. of NCT of Delhi) and Respondent No. 4 [DCP (Pre-paid) Police Headquarters (Traffic)] shall operate the Prepaid Taxi Scheme as a Voluntary Scheme and there shall be no compulsion on any of the taxi operator to join the said scheme...."*
