

STANDING ORDER NO. Lic.& Leg./22/2022

GUIDELINES FOR THE GRANT OF CASUAL PERFORMANCE LICENSE

1. DERIVATION OF POWERS

The Delhi Police Act, 1978 confers the powers of the District Magistrate on the Commissioner of Police, Delhi and Section 28 of the Act empowers the Commissioner of Police to make regulations for preservation of order in public places. The licensing of all performances and assemblies for public amusement is governed by the 'Regulation for Licensing and Controlling Places or Public Amusement (other than Cinemas) and Performances for Public Amusement, 1980'. It has been held by the Hon'ble High Court of Delhi in the matter of '*A.N. Sherwani Vs. Lt. Governor, Delhi 38 (1989) DLT 35*' that the purpose of the regulations is for preservation and maintenance of public order in public places. As per the Provision 116 of the aforesaid Regulations, no person shall hold musical, dancing, dramatic, mimetic, theatrical or other performances for public amusement or any public exhibition or diversion or game, by whatever name called, until he has obtained a performance license from the Licensing Authority, to hold such a performance.

2. COMPETENT AUTHORITY

As per the order issued by the Commissioner of Police, Delhi, vide No. 83-182/Spl. Cell/PHQ, dated 01.02.2008, the power to issue license places for public amusement vests with Licensing Authority, Delhi. However, powers have been delegated to Assistant Commissioner of Police, Casual Performance License (or ACP/CPL) to dispose off all such requests/applications swiftly in order to avoid delay, in consultation with the Licensing Authority wherever required.

3. ORGANISATION IN LICENSING BRANCH

A Sub-Inspector, an Assistant Sub-Inspector or Head Constable will be File Processing Officer for Casual Performance Licenses in the Licensing Branch, Delhi and report to the Inspector of

Casual Performance License (Inspector/CPL) and ACP/CPL. The File Processing Officer (FPO) shall maintain the Dak register.

4. PUBLIC DEALING

The entire procedure for grant of Casual Performance License from filing an application, fees payment to generation of license has been made online on digital platform www.delhipolicelicensing.gov.in. After grant of license, the licensee can download Casual Performance License after paying requisite fees online.

5. MONITORING OF PENDENCY

A weekly report shall be submitted by the File processing officer (FPO) to the Inspector/CPL who shall then submit the same to the ACP/CPL. A consolidated report shall then be submitted to the Additional/Joint CP/Licensing at the end of each week through a 'Weekly Diary' as per the format given at **Annexure-I**. These data will be generated electronically

6. PROCEDURE FOR ISSUE OF LICENSE

On receipt of the application for Performance License, scrutiny will be done regarding the nature of the premises and the type of performance where it is scheduled to be held. For the purpose of scrutinizing the applications, following categories of venues have been identified:

1.	Licensed Auditoria - Lists of Auditoria as available online on Delhi Police Licensing website <u>"www.delhipolicelicensing.gov.in"</u>
2.	Other Licensed Premises which includes banquet halls of Hotels, Registered eating houses etc. - List of hotels as available online on Delhi Police Licensing website - <u>"www.delhipolicelicensing.gov.in"</u>
3.	Other Premises which includes School Auditoria, Auditoria maintained by various institutions where events are held only for the members of the institution.
4.	Open Grounds- where various musical nights, exhibitions etc. are held.

7. ONLINE FACILITY FOR LICENSED AUDITORIA AND OTHER LICENSED PREMISES

I Reasoning

Licensed Premises are venues which have been given license only after obtaining the NOC from the following departments:-

- i Fire Department,
- ii Building Department,
- iii Electrical Department,
- iv Local Police and Traffic.
- v Casual GST Registration Certificate (if ticketed show)

These premises also undergo annual checks whereby their inspection is done by the Fire, Electricity and Building Department. Given this background, it is not necessary to get 5 NOCs for each single performance, rather such a system resulted in unwanted harassment to the organizers who had to run pillar to post to get all the clearances. Hence, it was decided to introduce the Online Facility for these premises. The Casual Performance License of Licensed premises will be issued within 24 hours after receiving the application.

Thus, as part of Delhi Police Digital initiatives for "DIGITAL INDIA - POWER TO EMPOWER", the Online System for the Casual Performance Licenses has been launched for making it speedy, transparent and efficient with hassle-free services. The Online Licensing System is the latest initiative by Delhi Police for ensuring 'ease of doing work' and instant delivery by simplifying the process of issue of Casual Performance License without diluting the legal requirements. The Licensing Unit has the onerous task of not only granting licenses but for ensuring that all the license conditions are strictly enforced by the local/traffic police so that the safety, security and convenience of citizens are not compromised. This system will do away with any physical interface between the applicant and the police/Licensing Unit before grant of Casual Performance License.

II Responsibility of the Management of the Premise where Online Facility is Provided

NOC from Fire Department and Electrical Department (Labour)/GNCTD are sought through email. NOC from Local Police and Traffic Police is sought online on the portal of Licensing Unit. The

Management of the premises has to ensure that the organizer is briefed properly about the new online application procedure.

III Responsibility of the Organizer

The organizer of performance is responsible for the content of the programme, its ticketing and the electrical equipment and other props that will be used by them for the show. He/she shall take all modern and approved precautions for the prevention of any accident and shall abstain from any act which may tend to cause explosion.

IV Compliance of Directions

Once the Casual Performance License is downloaded by the applicant, it will be presumed that the Licensee has agreed to abide by the above directions and ensure compliance, failing which Licensee may be liable for appropriate legal action.

V Documentation for Online Facility

The following signed, scanned documents are required to be uploaded by the applicant:-

- i Affidavit as per **Annexure-II** to be submitted by the applicant under The 'Regulations for Licensing and Controlling Places of Public Amusement (Other than Cinemas) and Performances for Public Amusement, 1980' on a non-judicial stamp paper worth Rs. 10/- duly attested by a Notary Public.
- ii Booking slip of the premises.
