

STANDING ORDER NO. CRIME/26/2024

ONLINE REGISTRATION OF e-FIR or e-NCR THROUGH DELHI POLICE WEBSITE & APPLICATION

A web application has been developed by Delhi Police to enable the complainants to register e-FIR/e-NCR for certain property offences viz. Thefts, House thefts, Burglaries & Motor Vehicle Thefts. The objective of the application is to allow prompt online lodging and downloading of First Information Report (FIR) /Non-Cognizable Report (NCR), as a citizen centric initiative.

I. Basic Features of App

- i)** Complaint can be lodged through web any time anywhere, without physically visiting to Police Station.
- ii)** e-FIR or e-NCR will be lodged at e-Police Station – having jurisdiction all over NCT of Delhi, notified under Crime Branch.
- iii)** Instant dispatch of a copy of digitally signed e-FIR or e-NCR to the email of the complainant, area SHO and Senior Officers.
- iv)** Management Information System (MIS) for analysis and taking various suitable preventive/corrective measures by Delhi Police.

II. Functional Details of the Applications:

- i)** Web Application URL shall have a link with the official website of Delhi Police <https://delhipolice.gov.in>.
- ii)** First time users for App shall have to register by providing mobile phone number and email ID. A One-Time-Password (OTP) shall be received by the user on mobile and web, through SMS and email respectively.
- iii)** The complainants approaching Police Station directly for lodging FIR/NCR of certain property offences shall be facilitated in the concerned Police Station, to lodge it through this App on the computer. Each Police Station shall be provided User-ID for lodging e-FIR or e-NCR through respective Duty Officer/SHO.

iv) In cases of e-MVT,

1. The investigation of case(s) registered through the application shall be instantly transferred to the respective area Police Station for investigation and disposal i.e. for submitting Final Report u/s 193 BNSS, 2023 in their respective Courts.
2. First and/or subsequent/final case diaries shall be generated through the application.
3. The Final report u/s 193 BNSS as “Untraced” or as “Cancelled” shall also be generated.
4. The Final report so generated shall be transmitted to the concerned designated Court through the Application itself and in case of acceptance, the Final report with the digital signature of the Designated Court shall be made available.

v) Modules of Web Application

1. Complainant Module
2. Duty Officer Module
3. SHO Module (for local area Police Station)
4. ERSS-112 Module
5. Management Information System (MIS)
 - a. e-Police Station.
 - b. SHO
 - c. District
 - d. Delhi
6. Administration Module
7. IO Module (for cases related to MVT)
8. e-Court Module (for cases related to MVT)

III. Designation of e-Police Station:

The Commissioner of Police, Delhi with the prior approval of the Hon'ble Lt. Governor of the National Capital Territory of Delhi in exercise of powers vested Under Section 10, Delhi Police Act 1978 has declared the Crime Branch of Delhi Police to have an **“e-Police Station”** at SCRB, Kamla Market Police Station Building, New Delhi. The **“e-Police Station”** shall have jurisdiction over whole of the National Capital Territory of Delhi. An officer of the rank of Inspector and above shall enjoy the powers of officer in charge **“e-Police Station”** and exercise powers under the relevant provisions of the

Bharatiya Nagarik Suraksha Sanhita (BNSS) for transmission and investigation of all First Information Reports (FIRs) registered at **e-Police Station**.

IV. Electronic records generation through Web Application

i) Electronic Daily Diary

Information received through web application for theft cases from a Complainant Module or Duty Officer Module regarding thefts, shall be instantly recorded in the electronic daily diary maintained in the Application. The Application system shall generate serial number from No. 1 w.e.f. 0000 hrs. daily, followed by alphabet 'A' i.e. 1A, 2A and so on.

ii) First Information Report/Non Cognizable Report

The Application system will thereafter generate e-FIR or e-NCR, as the case may be for every such information recorded in the electronic Daily Diary, maintained through the Theft Application of e-Police Station for cases of Thefts, the system shall generate 8 digit centralized serial number starting from No. 80000001 w.e.f. 0000 hrs. of 1st January every year. In case of e-NCR the system shall generate 8 digit centralized serial number starting from No. 70000001 w.e.f. 0000 hrs. of 1st January every year.

For cases of M.V.T. the system shall generate 6 digit serial numbers starting from No. 1 w.e.f. 0000 hrs of 1st January every year.

iii) Electronic Case Diary

In case of e-Theft	In case of e-MVT
The system of case diaries in the present system is being discontinued, in view of duplicity with CCTNS Application. However, in the cases registered before 01.01.2024, the existing system will continue.	i) The Application server shall generate case diary of electronic investigation/enquiry conducted for each case incorporating electronic log details immediately after completing the process of registration of e-FIR and generation of intimation etc. daily and from the second day to fifth day at 0800 hours, thereafter, every 5th day, till the generation of

	final report u/s 193 BNSS. ii) The Application server generated case diary shall bear Serial Number after e-FIR No. and year i.e. FIR/YEAR/01. iii) The Action Taken Report (ATR) submitted by Investigation Officer (IO) through module of this Application shall generate electronic case diary on the day of its submission. The case diaries shall bear the Serial number mentioning the e-FIR No. followed by Year and then the day of writing of the case diary from the date of registration FIR plus the alphabet A. For example, if the information is filled up on the first day itself, it will be FIR/Year/01A. Similarly, if the case diary is written on the second day, the serial number will be: FIR/Year/02A and so on.
--	---

V. Registration of e-FIR or e-NCR

The Application shall apply sections of law for registration of e-FIR or e-NCR with the combination of choices in dropdown menu for the place of incident, type of incident, time of incident, number of suspects etc., as per the following details: -

Event	Section of law applicable
Theft in public place/Luggage Lifting/Pick Pocketing	303(2) BNS, 2023
Theft (in building tent or vessel)	305 BNS, 2023
Theft in closed premises (house, office, shop breaking) during day	305/331(3) BNS, 2023

hours	
Theft in closed premises (house, office, shop breaking) during night hours	305/331(4) BNS, 2023
If suspects are more than two	3 (5) BNS, 2023
For any means of transport used for the transport of goods or passengers	305 (b) BNS, 2023

According to Section 174 of the BNNS, if a citizen wishes to file a theft report for goods valued at less than ₹5,000, the Theft e-FIR application will register the complaint and provide a copy of the e-NCR.

VI. Conditions in which e-FIR will be lodged online

The citizens can lodge e-FIR in the following conditions: -

1. Offence is committed within the jurisdiction of NCT of Delhi.
2. Accused is not known to the complainant or caught red-handed.
3. No one is injured and/or no MLC made in the incident.

VII. Duties and Responsibilities

1. e-Police Station:

- (i) To lodge Daily Diary entry in the application system of all the information, electronically received through web application.
- (ii) To register e-FIR on the basis of information electronically received, through web application for certain property offences.
- (iii) To ensure electronic generation of digitally signed e-FIR to the complainant as well as area SHO and also send e-mails to the PCR, District DCsP and all CsP/SSsP in India.
- (iv) To prepare a monthly report on the status of cases registered (PI, Charge Sheeted, Untraced or Cancelled) and submit before DCP/SCRB.
- (v) **For MVT cases**
 - a) To generate case diaries electronically on the prescribed format, for the investigation and the action taken/efforts made by the IO/SO of the jurisdictional Police Station.
 - b) To forward Final Report u/s 193 BNSS as 'Untraced' or 'Cancelled' to the concerned court, notified from time to time, for further action as per law, through ACP/SCRB, in cases where no recovery has been made and/or no one has been charge sheeted.

2. Duty Officer of Area Police Station

The Duty Officer shall be provided user ID with password (OTP) to Login to the module for the following functions: -

- i)** For lodging the e-FIR or e-NCR, in case the complainant directly approaches Police Station or information is received through a call made in the ERSS.
- ii)** Duty Officer will assign/change the Investigating Officer for investigation of e-FIR in MV Thefts and other cases in e-FIR and CCTNS Application respectively, on the direction of SHO.
- iii)** Retrieve e-FIR or e-NCR or check status for informing the complainants and making other enquires.
- iv)** In cases where the motor vehicle reported to be stolen is recovered or accused involved in the case is/are arrested during the investigation, the Final Report u/s 193 BNSS shall be filed by the area SHO in the concerned court.

3. Investigating Officer of area Police Station

The Investigating Officer will be intimated regarding entrustment of e-FIR for investigation. The Investigating Officer will take the following steps:

- i)** Contact the complainant within 24 hours.
- ii)** Obtain signatures of the complainant on the printed copy of e-FIR within 3 days and send the same to the concerned Magistrate.
- iii)** Investigate the case, as per SO No. (Crime/31/2022 & L&O/64/2022).
- iv)** If an accused is arrested and he is found to be a member of an organized gang dealing in stealing and disposal of stolen property, the matter be immediately brought into the notice of Senior Officers to initiate action u/s 111/112 BNS, bases on merits/facts of the case.
- v)** Once the stolen vehicle is released to the rightful owner on 'Supardari', the IO shall update the status of the vehicle on ZIPNET, as well.

4. Area SHO

The Area SHO shall ensure the following:

- i)** Update the information of available Duty Officers and Investigating Officers in the Application on regular basis.

- ii) Ensure prompt assigning of the e-FIRs by the Duty Officer of the Police Station to the Investigating Officers.
- iii) Ensure that the IO contacts the complainant, visit the spot and feeds information of Action Taken Report (ATR) within 24 hours of lodging e-FIR.
- iv) Ensure that IO obtains the signatures of the complainant on the printed copy of FIR within 03 days.
- v) Peruse the case diary of action taken by the Investigating Officer of Police Station.
- vi) In cases, where clues are obtained against any accused or any accused has been arrested after the final acceptance by the court as 'UNTRACED'. SHO shall re-open the case for further investigation under intimation to the e-Police Station.
- vii) Analyse crime trends and take steps for prevention and detection of property crimes, with the help of MIS Module in the Application. He/She should also develop weekly crime prevention and detection strategies, under intimation to senior officers and seek their guidance/supervision.
- viii) Motivate and lead the staff in using and leveraging the technology and for making the implementation of the Application a success.

VIII. Guidelines for transfer of investigation of cases

If the place of occurrence is outside their jurisdiction, the SHO of the local Police Station shall transfer the e-FIR to the concerned Police Station within 48 hours, otherwise, the same Police Station shall continue the investigation.

IX. Duties & Responsibilities for maintenance of Application etc.

The responsibility of maintaining the Web App will lie with the SCRB (Crime Branch). They shall undertake the following actions for maintenance of the same: -

1. Development, maintenance, troubleshooting, upgradation/modification etc.
2. Cyber Security audit from the empanelled Cyber security auditor on regular basis.
3. Uploading/hosting of Web on respective web servers.
4. Payment of periodical charges to keep the Application working.
5. Keep Safe custody of source code.

6. Keep electronic backup of Application software and data generated/created in the Application as well as server logs etc.
7. Any other works as may be assigned by Senior Officers from time to time.

X. Record Keeping

At e-Police Station, electronic record shall be kept in separate electronic folders for each e-FIR or e-NCR containing all documents created/generated in the Application relating to e-FIR or e-NCR.

1. At local Police Station - A Year Wise Register shall be maintained in all the Police Stations in two parts (Separately for e-FIR & e-NCR).

In Part-I, details of all e-FIRs or e-NCR referred to the Police Station during the year in the following columns shall be maintained:-

- a. Serial No.
- b. e-FIR or e-NCR No.
- c. Final Disposal i.e. Untraced, Cancelled, Transferred to other Police Station (Name)
- d. Investigation taken up by the Police Station
- e. Remarks, if any.

In Part-II, Details of all e-FIRs or e-NCRs in which investigation is taken up by the Police Station shall be maintained in the following columns:-

- a. Serial No.
 - b. FIR No.
 - c. Final Disposal
2. Copy of e-FIR or e-NCR on which IO obtains signature of the complainant with Index to FIR proforma on top of each e-FIR or e-NCR shall be kept in a folder for maintaining records in a similar way as the records of other cases are maintained in the Police Station.
 3. VRK shall also maintain the record of each such e-FIR or e-NCR for which investigation is taken up by the area Police Station in the manner similar to other cases maintained in VRK.
