IO should check the status of the missing child on this portal regularly. Similarly, as soon as

photograph of a recovered/found child is uploaded, search is done online automatically with the missing children data. Thus, all the missing/found children data (photograph) should be uploaded at first opportunity and probable results provided by the system should be obtained by the I.Os to link the missing child with the data of found child and vice-versa. Since the success of search through FRS greatly depends on the quality of the photograph, IOs must ensure that good quality photographs are uploaded on the ZIPNET.

If any known offender is found to be missing, he/she will be tracked on his/her cell phone and through notice to PCR, alerts will be sent to all beats and other informal networks. If the child was found to be a drug/substance-user, all known drug-peddlers in the area should also be duly investigated.

32. Some age-specific actions will be initiated depending on the age of the missing child- the actions are not exclusive, but must be done in a more focussed manner.

- **For children aged 0-5 years**

All helpers/servants, persons frequently visiting victim's family, friends of child, crèche owner & last seen person should be examined immediately and government/private hospitals in Delhi be also alerted/intimated online about the missing child with details. They will coordinate and supervise all issues/cases pertaining to such children and study the pattern emerging out of these cases at the police station level, and report the same to SHO and ACP/Sub-Division as well as to DMPU and ACP/Operations. Appropriate cases will also be brought to the notice of the SJPU. The Nodal Officers at police station will talk to returning or recovered children in detail to ascertain any angle of crime or offence or gang, and report the same to SHO and ACP/Sub-Division as well as to ACP/Operations.

#### **XXI. CO-OPERATION FROM NGOS AND OTHER ORGANIZATIONS:**

(a) NGOs should be intimated in cases where girl is minor and an allegation of sexual assault comes to notice.

(b) In places where vulnerable groups of children are found in large numbers, a mechanism could be evolved in partnership with non-governmental organizations and social workers, whereby apart from rendering counselling to them, awareness-raising activities are also carried out. This would not only instil confidence in them but also strengthen them and given them special protection so that they are in no way lured by external agencies / factors.

(c) In order to make the investigative procedures concerning missing children more transparent and user-friendly, it would be preferable for the police investigating team to involve the community at large, such as representatives of Panchayati Raj Institutions/Municipal Committees/Neighbourhood Committees/Resident Welfare Associations, etc., in addition to existing help-lines. This will enable the community to get fully involved along with the police in tracing missing children.

(d) Periodic interface will also be maintained with Principals, teachers and students of the area by ACsP and SHOs to sensitize them about Do's and Don'ts for children.

## **XXII. CO-OPERATION FROM PUBLIC:**

Help of members of Eyes & Ears Scheme should be sought for tracing of missing children. Co-operation from members of Residents Welfare Associations, active NGOs and other public spirited persons in the area should also be enlisted in these efforts.

## **XXIII. CHECK-LIST**

In order to ensure that all the requisite steps of investigation in the case of missing children/person are taken, a check-list for convenience of IOs has been prepared (Annexure-E). The IOs shall use the same as index while proceeding in such matters. It is also expected that SHO and other supervisory officers, while monitoring such cases, shall ensure its compliance as per the requirement of the matter, and also issue appropriate directions accordingly.

## **XXIV. SUPERSESSSION CLAUSE:**

This supersedes the previous Standing Order No. 252 (Ops.47) issued vide Hdqrs. No. 11301-11550/Record Branch/PHQ, dated 25.10.2010 and its Addendums.
