

STANDING ORDER NO. 267/2009

DUTIES AND RESPONSIBILITIES OF POLICE STAFF POSTED AT VARIOUS HOSPITALS

Introduction

1. Police personnel are posted to various hospitals in Delhi for their round the clock presence to attend to the medico legal cases (MLCs) and to maintain liaison with hospital authorities, which is required from time to time. This Standing Order contains instructions applicable to all police personnel posted at police posts established in various hospitals.

Aims and Objectives

2. The aims and objectives of establishing PPs at various hospitals and posting police personnel there are as under:
 - (i) To receive, collate and disseminate promptly all information regarding accidents; un-natural injuries/deaths, such as burn cases, deaths/injuries due to bomb explosions, extremist action, crimes, i.e. murder, dacoity, robbery, rape, hurt, etc; deaths due to drowning, poisoning and natural calamities, i.e earthquakes, floods, etc. deaths/injuries due to law and order problems, death, etc. and to maintain a complete record thereof.
 - (ii) To inform the concerned police stations in NCT, Delhi and the adjoining districts of other States through PCR.
 - (iii) To assist the victims/relatives of victims for ensuring timely help and providing relevant information to them.
 - (iv) To keep a proper record of MLCs/Post Mortem (PM) cases and to pursue with the concerned doctors for their expeditious opinion/report.
 - (v) To inform the concerned police station immediately regarding receipt of results of MLCs/postmortem Cases.

Rotation of Duties

3. The staff shall perform duties in three shifts and according to availability of staff. An upper subordinate I/C P.P. shall supervise the working of the staff under the over all supervision of the ACP/SDPO and SHO concerned in whose jurisdiction the hospital is situated.

Accommodation

4. Sufficient accommodation shall be got arranged by the Distt. DCsP for the staff, records and visitors concerned with the help of hospital authorities. As far as practicable, the P.P. should be accommodated in a room near the Emergency Unit of the hospital and shall be provided furniture/equipment to make it a reasonably comfortable work place.

Communication Facilities

5. The P.P. at the hospital shall be provided with telephones from the hospital exchange and a direct telephone/extension of EPABX. In addition, hotline facility with PCR would also be provided in important hospitals.

Maintenance of Phones and Calls Record

6. It shall be the personal responsibility of the I/C PP who will be either an SI or ASI to ensure that these telephones are kept in order and not misused. Proper record of all calls received/made indicating date, time, brief of calls, from whom received or to whom made and action taken, time etc. relating to all MLCs shall be kept by one of the police personnel to be called 'telephone clerk' in a register to be maintained by him as per Annexure-I. The register shall be checked daily by the I/C P.P. and it shall be his duty to ensure that the register is properly maintained. The I/C P.P. shall append his signatures with date at the close of the entries in the said register each day. SHOs/ACsP shall check this fact personally during their visits to hospital and record their observations.

Duties of the staff

- 7.(i) The staff deployed at the P.P. will ensure that the doctors attending the injured/casualties and preparing the MLCs are duly assisted by the police informing them about the police station in whose jurisdiction the incident has occurred and obtain other such details from the victim and persons accompanying him.
- (ii) Information regarding the incident shall be conveyed to the concerned police station in Delhi/neighbouring districts by the quickest possible means and nearby places through PCR.
- (iii) The staff on duty shall keep in their custody all articles pertaining to the victim and the case. The same shall be handed over to the I.O. immediately under proper receipt. They shall make a record of such articles in a register as per Annexure-II.
- (iv) The staff shall take into custody all exhibits, duly sealed by the doctor in heinous offences such as murder, dacoity, robbery, rape etc. They shall hand over the same to the IO. They shall keep a record of such documents/material in a register as per **Annexure-II**.
- (v) In serious cases where there is some delay in arrival of the I.O the I/C PP on duty should talk to the victim and try to elicit as much information as he can about the incident. He should also take initiative in getting the dying declaration recorded in the presence of a doctor on duty, in cases, where the condition of the victim is extremely

precarious and chances of his/her survival are bleak, before the arrival of local police and the Magistrate. He should have full information about the location and ward etc. where the victim is admitted.

- vi) On being informed by the CMO about the discharge or death of the victim for whom an MLC has been prepared, the I/C Police Post, shall inform the police station concerned and the nearest kin of the deceased by the quickest means.
 - vii) Police personnel on duty must acquaint themselves with the topography and other relevant information relating to the hospital, and the various wards/departments.
 - viii) In case of serious offences like riots, terrorist attacks, bomb blasts or natural calamities like earthquakes, fire and floods, etc., the police officer(s) on duty shall keep a ready record of the injured persons admitted to the hospital with their names, age, addresses, etc.
 - ix) The I/C P.P. shall ensure that an upto date list of telephone Nos. of Police Dept., hospitals and Magistrates who are required to be summoned for recording a dying declaration/inquest, etc. is maintained at the police post.
 - x) In case of unconscious/unidentified person brought to the hospital, action will be taken as per SO No. 260 relevant to the subject.
 - xi) In case of major incidents resulting in inflow of large number of victims, their relatives / well-wishers, etc. and VVIP movements, the I/C P.P. at hospital shall request for suitable law and order and security arrangements through his district DCP.
 - xii) In case of bomb blast victims arriving at hospitals, the concerned I/C P.P. must request for a thorough anti-sabotage check to be organized to prevent secondary blasts. The hospital premises be got cleaned of all parked vehicles except those identified as belonging to the Hospital staff which also should be got checked.
8. Experience has shown that a number of D.D. entries/cases registered in police stations do not get finalized early for want of MLCs/postmortem reports etc. The staff posted in the hospitals do not maintain a systematic record regarding MLCs/postmortem cases or do not keep track of these cases and sometimes fail to inform the concerned IO though reports/results are ready since long. In order to cut such delays, I/C P.P. in the hospitals is required to keep proper record of all MLCs/Postmortem cases and pursue the matter with the concerned doctors to get their opinion expeditiously. For that purpose, the following system shall be adopted:-
- (i) Whenever an injured person is taken to/admitted in a hospital, the IO concerned would visit the hospital. In case of death the dead body would be shifted to the mortuary.

- (ii) Each Police Post at a hospital would have sufficient number of police personnel posted in the casualty. It is the responsibility of these police personnel to liaise with the hospital authorities for various purposes.
 - (iii) These police personnel would also maintain a register as per **Annexure-III** where details of MLCs prepared in the hospital would be entered.
 - (iv) Whenever an IO. approaches the hospital for getting reports about the nature of injuries, whether simple or grievous, he shall deposit the relevant papers (MLC) with the police personnel posted in the hospital's PP who shall make an entry of the details of the MLCs in the register and put his initials in the relevant column as a token of acknowledgement of the MLC. The I.O. may also (if he feels so) obtain the signature of the concerned police person in PP on the photocopy of the MLC as acknowledgement and record.
 - (v) It would be the duty of the PP staff to keep in touch with the doctors and obtain final opinion on MLCs.
 - (vi) In addition to the PP staff, each district/unit would nominate a Head Constable or Constable to be in touch with the P.P. staff and collect opinion on MLCs pertaining to his district/unit. This Head Constable/Constable would sign in the relevant column of the MLC register as a token of having received the report.
 - (vii) It would be the duty of the Head Constable/Constable so deputed to send these reports/opinion to the SHO of the concerned police station or Officer Incharge or to the concerned I. O. He would maintain a register for this purpose as per Annexure-IV.
 - (viii) The P.P. staff shall prepare a Monthly Goshwara of pending MLCs on the first of every month and send the same to the Medical Superintendent of the concerned hospital with a request to expedite the pending reports. A copy of the same should be endorsed to the district/unit DCP concerned for his information.
 - (ix) Inspector investigation under the supervision of SHO shall maintain a register for monitoring MLC reports as per **Annexure-V**.
9. Sometimes following a death either outside or in hospital, the body is sent to the mortuary. While hospitals like AIIMS, Safdarjang, LNJP, DDU, Sanjay Gandhi Memorial, Lady Hardinge, Babu Jagjivan Ram, Lal Bahadur Shastri and G.T.B. hospital have mortuaries attached to the hospitals, however, the postmortem cases of the following hospitals are conducted at the mortuaries mentioned below against them:

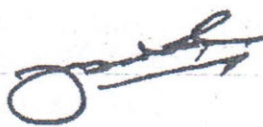

- | | | | |
|-----|----------------------------|---|----------------------------------|
| (a) | Ram Manohar Lohia Hospital | - | Lady Hardinge Hospital |
| (b) | Hindu Rao Hospital | - | Subzi Mandi Mortuary |
| (c) | Aruna Asaf Ali Hospital | - | -do- |
| (d) | Sushrut Trauma Centre. | - | -do- |
| (e) | St. Stephens Hospital | - | -do- |
| (f) | Jassa Ram Hospital | - | LNJP Hospital |
| (g) | Ambedkar Hospital | - | Sanjay Gandhi Memorial Hospital. |
| (h) | S.D.N.Hospital, Shahdara | - | Subzi Mandi Mortuary |
10. The staff deployed in hospitals where mortuaries are attached would also look after the postmortem cases for which a separate register should be maintained as per **Annexure-VI**.
 11. In case of other mortuaries, the following action should be taken:
 - a) Staff from PP/Lady Harding and Sucheta Kirplani Hospital would liaise with the mortuary at Lady Hardinge Hospital.
 - b) One HC/Constable shall be deputed from P.S. Civil Lines to manage the Subzi Mandi Mortuary.
 - c) A constable from P.S./Mangol Puri shall manage the postmortem cases in Sanjay Gandhi Memorial Hospital.
 12. The above staff shall perform all the duties of the staff posted at PPs in the hospitals, as narrated. Every police station/unit should maintain a Post Mortem Register as **Annexure-VII**.
 13. The hospital wise existing distribution of work relating to Medico Legal Cases and Post-Mortem is enclosed at **Annexure-VIII & IX** respectively.
 14. The MLCs and Post Mortem Register should be available with the Duty Officer in Reporting Room. Entries of all injured persons sent to the hospital either by the Duty Officer or Emergency Officer or by the Investigating Officer or in any other manner, shall be entered in that register and followed up. The Inspector Investigation under the supervision of SHO should check these registers daily and ensure expeditious receipt of MLC/PM reports.
 15. The ACPI/C Sub-Division should go through the MLC and postmortem Registers during his visits to the police stations. He should give his remarks in both the registers in case of delay in the receipt of reports and the action taken or required to be taken for expediting the same.
 16. Any delay in the receipt of MLC/postmortem reports should be taken up with the concerned hospital through the district DCP and the staff of PP of the hospital.
 17. Any delay in the receipt of viscera report should be taken up with the FSL/CFSL by the ACP/DCP concerned.

Registers: To be maintained

18. The following registers shall be maintained at every hospital/police station as per Annexures indicated against each:-

- (i) Telephone Calls Register as per Annexure-I
- (ii) Victims Reception Register as per Annexure-II
- (iii) Medico Legal Cases Register (at hospital) as per Annexure-III
- (iv) MLCs Results Register as per Annexure-IV
- (v) MLCs Monitoring Register (at P.S) as per Annexure-V
- (vi) Post Mortem Register (at Hospital) as per Annexure-VI
- (vii) Post Mortem Register (at Police Station) as per Annexure-VII

This Standing Order supersedes earlier standing order on this subject issued vide this Hdqrs. No. 21483-560/C&T (AC-II), PHQ dated 14.05.2002.
