

S.O. NO.297

The Missing Person Squad (MPS) of Delhi Police functions round the clock at PS New Kotwali under the control of DCP/N&CP.

Strength of Missing Person Squad

The MPS will be headed by one lady Inspector assisted by 5 Upper subordinates, 6 HCs and 10 Cts. 50 % staff should be ladies as MPS has to deal with a number of missing cases of children & females too. The work of Incharge (MPS) will be supervised by ACP and DCP/N&CP.

Responsibilities of the SHOs and I.Os.

- (1) The moment an information regarding missing person, unidentified dead body (UIDB), unconscious or abandoned person/child is received, the IOs will write their physical descriptions and other details in the daily diary.
- (2) Filled forms as per Annexure A, B, C & D alongwith 2 photographs (one passport size and the other 9"X12") of missing persons/ UIDBs will be forwarded immediately to the MPS by the SHO through ACP-Sub Division. The 9"X12" size photographs of missing persons will be used for telecast on Doordarshan. The photographs of dead bodies should be taken from different angles with a focus on the face as well as on distinguished marks such as tattoo, name inscribed on the arms, cut mark and injury mark etc.
- (3) They will pass this information to PCR with the complete physical description and other details.
- (4) They will also liaise with the MPS to check the progress of the search through computer.
- (5) They will also collect probable matchings done by the computers from the MPS.
- (6) They will also fill the forms of traced persons and identified dead bodies and forward it to the MPS immediately. They will also inform the PCR.

- (7) The SHO concerned will look after the children recovered, till they are restored to their parents or sent to Children Homes if no one claims them. The SHO should also send them for medical treatment, if required.

Functions of MPS

1. The information about the missing, abandoned, unconscious persons, UIDBs and traced persons/traced dead bodies received from the Police Stations or through the PCR will be recorded in the Daily Diary Register maintained at the MPS. It will be mandatory for all the Police Stations to provide the above information and to fill up the requisite forms as given in Annexure A, B, C & D and send it to the MPS daily. The said information will be entered in the following registers by the MPS in columns given in the Annexure 'E' :-

1. **Register No.1** **Missing Persons Male (Adult) Register:-** This register will contain the details of all missing male adults (18 years & above.) from Delhi.
2. **Register No.2** **Missing Persons Male (Minor) Register:-** This register will contain the details of all missing male minor (below 18 years) from Delhi.
3. **Register No.3** **Missing Persons Female (Adult) Register:-** This register will contain the details of all missing female adults (18 years & above.) from Delhi.
4. **Register No.4** **Missing Persons Female (Minor) Register:-** This register will contain the details of all the missing female minor (below 18 years) from Delhi.
5. **Register No.5** **Out Station Missing / UIDBs Register:-** This register will contain the details of all missing persons & UIDBs from other states. The particulars of missing persons/UIDBs from other states will be matched with the data already available in the computers of Missing Persons Squad & the result should be conveyed to the concerned SP/SSP.
6. **Register No.6** **Found Unconscious/Abandoned Register:-** This register will contain the details of unconscious and abandoned persons which should be matched with the details of missing persons of Delhi & out side Delhi. This register relates to Registers No.s 1 to 5.
7. **Register No.7** **Traced Persons Information Register:-** This register will contain details of all traced persons.

8. **Register No.8** **Unidentified Dead Bodies (UIDBs) Register :-** This register will contain the particulars/details of all the dead bodies found in Delhi. The information regarding UIDBs should be matched with the available data of Missing Persons Squad and the result will be conveyed to the concerned SHO.

A file will be opened in each case and will be kept for record till the time it is destroyed after the prescribed period.

2. The MPS shall record all the details when an information from PCR is received about the missing/ UIDBs in the daily diary mentioning therein the complete physical features, clothes and other relevant details.
3. The MPS will enter all the informations given on the prescribed 'Forms' & sent by the SHO regarding missing persons/ UIDBs in the relevant registers and also feed the information in the computer.
4. The latest information will be matched with the available data bank of the MPS. If there is any match, the information will be given to the concerned SHO and PCR immediately.
5. The MPS will also take out a list of all the probable matches of missing persons/ UIDBs and forward it to the concerned police station for further investigation.
6. The MPS will send photographs to Doordarshan for flashing it on the television.
7. The MPS will send all the information relating to missing persons/ UIDBs to CRO for publishing it in the official gazette.
8. The MPS will keep record of missing persons/ UIDBs on an annual basis in the register as well as on floppies/CDs for record.
9. A separate register for missing persons/ UIDBs belonging to the other States shall also be maintained by MPS.
10. The MPS will also install MPS booths on national functions like Republic Day Parade and Independence Day.

Destruction of record:-

1. Missing Persons Squad will keep the record of missing, abandoned and unconscious persons/ UIDBs for a period of seven years and after that the record will be destroyed as per the laid down procedure. However, year-wise

floppies/CDs of Missing persons/UIDBs etc will be kept permanently in a safe and secure manner.

The record of the traced persons will be destroyed within 2 years as per the laid down procedure

This supersedes previous Standing Order No. 297/1988 issued vide this Hdqrs No. 760/Genl-IV/PHQ dated 16.3.1988.
