

DELHI POLICE

STANDING ORDER NO. L&O/ 09 /2025

INTEGRATED HELP DESK IN POLICE STATIONS

1. Introduction

- 1.1. Police Stations are the primary public interface of the Police. Every visitor - particularly a complainant or a person in distress - expects a fair, empathetic and efficient response. To ensure a structured, professional and victim-friendly experience, an Integrated Help Desk (IHD) shall function in each Police Station for receiving and facilitating all public grievances, including those relating to cybercrimes, women, and senior citizens. All existing help desks at Police Stations (Public Facilitation Desk, Women Help Desk, etc.) shall be amalgamated into a single Integrated Help Desk (IHD). This will be the first point of contact for all visitors/complainants, including those reporting cybercrime cases.
- 1.2. This document outlines the Standard Operating Procedure (SOP) for the establishment, operation, and management of the Integrated Help Desk in all Police Stations (PS) under the jurisdiction of Delhi Police. This SOP is designed to define comprehensive, and standardized procedures for functioning of the Help Desk at PS to facilitate reception, registration, and proper processing of complaints including cybercrime complaints in a transparent, efficient, and citizen-friendly manner.

2. Applicability

The provisions of this Standing Order shall apply to all Territorial Police Stations of Delhi Police, as well as Police Stations functioning under the Metro, Railway, and IGI Airport Units.

3. Objectives

The IHD shall have an independent computer terminal with printer and high-speed internet facility. It shall:

- i. Act as a single point of contact for all visitors/complainants to the Police Station.
- ii. Provide prompt, efficient, and citizen-friendly services related to registration of complaints, facilitation of cybercrime reporting, public

- grievance handling, and assistance to all persons in distress including women, children, and senior citizens.
- iii. Facilitate hassle-free registration of e-FIRs, NCRs, Lost Reports, and online complaints.
 - iv. To facilitate registration of cybercrime complaints *via* appropriate portals such as CFCFRMS (<https://cyberpolice.nic.in>) and NCRP (<https://cybercrime.gov.in>), the procedure of registration of cyber financial fraud complaints and complaints other than financial fraud are explained at **Annexure-I and Annexure-II**.
 - v. Guide citizens regarding documentation, evidence preservation and further process, including tenant and servant verification and also registration of senior citizens.
 - vi. Maintain proper records, acknowledgements and follow-up tracking for all complaints.
 - vii. Improve the overall quality of public interaction and institutional image of Delhi Police.

4. Scope of Help Desk Functions

4.1. Cyber Crime Complaints

- i. Brief citizens on the process, documents required, and their rights regarding complaint registration.
- ii. Handling queries and registration of cybercrime complaints, including financial frauds, crimes involving women and children, and attempted frauds *via* suspect numbers.
- iii. Assist citizens, especially vulnerable groups or those less conversant with technology, in filing complaints either through hand-written formats or online portals.
- iv. Maintaining records of all interactions and ensuring data confidentiality.
- v. Report suspected numbers and digital incidents using NCRP and 'Sanchar Saathi' app.
- vi. Accept and register all cyber complaints irrespective of police station jurisdiction, with proper digital forwarding to concerned units.

4.2. Senior Citizens

- i. Pro-active interaction with senior citizen in-person as well as over telephone to ascertain their well-being and educate them regarding crime prevention measures.
- ii. To address issues or grievances flagged by senior citizens.

4.3. Assistance to Women

- i. Ensure immediate action for sexual offense victims and other complaints of other nature including matrimonial disputes, eve-teasing etc.

- ii. Maintain a database of women outreach programme. Keep a record of 'Shishtachar Squad' deployment of the district for rapid response.

4.4. E-FIR and Other Services

- i. Enable hassle-free e-FIR, NCR, and Lost Report registrations.
- ii. Provide public facilitation for queries and complaints.

5. Infrastructure

- i. IHD should be set up at a clearly designated and conspicuous location within the police station premises, preferably at the entrance of the PS building and shall be prominently visible and easily accessible to the public.
- ii. Prominent bilingual signage in English and Hindi, clearly indicating "INTEGRATED HELP DESK" and "एकीकृत सहायता डेस्क" and listing available services, shall be displayed outside and inside the Police Station.
- iii. Physical infrastructure should ensure privacy for complainants, adequate seating facilities, furniture & fixtures, water dispenser, and required desktop hardware with internet and printers, stationery etc.
- iv. Authorized access to CFCFRMS, NCRP, and 'Sanchar Saathi' portals via user IDs/passwords issued by I4C/MHA shall be made available through IFSO. Maintenance of infrastructure shall be the responsibility of the concerned SHO, with monthly inspections by the district DCP.
- v. Display educational material at the Integrated Help Desk regarding cyber safety, prevention tips, and the official reporting process.
- vi. CCTV coverage of the IHD for transparency and security.

6. Staffing

- i. IHD shall be manned on '24x7' basis by dedicated and trained personnel.
- ii. Dedicated and trained personnel shall be posted as Integrated Help Desk officers (IHDO) - preferably those conversant with basic computer operations and who have received appropriate training for citizen interaction, particularly for handling cybercrime cases.
- iii. At least one female police officer shall be included in the IHD roster in every Police Station to attend to women & children related complaints and ensure gender-sensitive service delivery.
- iv. Regularly conduct short training modules for IHDO focused on evolving cybercrime typologies, reporting norms, and the use of relevant digital systems or portals.
- v. Pool of Help Desk officials should be identified and kept ready at district level for backup and continuous service.

7. Training and Capacity Building

In order to ensure competent operation, the following training programs shall be undertaken by the Delhi Police Academy (DPA) in coordination with IFSO Unit:

- i. Basic Course: A structured training programmes for IHDOs in soft skill, inter-personal communication, counselling and cyber hygiene, cyber safety and procedure for filing of complaint on portal to be imparted.
- ii. Training of Trainers (ToT): Nodal Officers from all districts will be imparted intensive training in “Handling cybercrime queries” by IFSO, Dwarka. The prime focus will be on handling of cyber queries, troubleshooting, crime safety and cyber hygiene.
- iii. Refresher Sessions: Monthly/Quarterly one-day sessions at IFSO Unit, Dwarka, for Nodal Officers to update on emerging threats and portal changes.

8. Responsibilities

8.1. Station House Officer (SHO)

The SHO shall:

- i. Ensure the Integrated Help Desk is operational on ‘24x7’ basis with adequately trained personnel.
- ii. Oversee the provision and maintenance of required infrastructure.
- iii. Monitor and maintenance of proper documentation and record keeping as well as take follow-up action on the un-resolved complaints.
- iv. Conduct daily audits of complaint registrations and resolutions.

8.2. ACP, PG Cell

The ACP, Public Grievances Cell of the District shall:

- i. Supervise and monitor the functioning of IHD on a day-to-day basis through the Inspector (PG Cell) of the District.
- ii. The Fortnightly Report regarding IHD shall be scrutinized and record of all the resolved matters, queries and follow-up action on all un-resolved ones shall be apprised to DCP in the format given at **Annexure-III**.

8.3. Deputy Commissioner of Police

The DCP of the District shall:

- i. Provide necessary infrastructure to each Police Station in their respective district.
- ii. Identify, select and post IHDOs and ensure their participation in training.
- iii. Ensure weekly supervision by ACP, Public Grievances Cell *via* Inspector (PG Cell).
- iv. Review the district-level performance of IHD on monthly basis and report to Jt. CP/Range for further necessary action and compliance of the SO.

8.4. IFSO Unit

The Intelligence Fusion & Strategic Operations (IFSO) Unit shall:

- i. Issue detailed procedural guidelines listing out step-by-step process as how to register the complaint and what documents, information are to be obtained at the time of registration.
- ii. Provide user IDs and passwords to IHD attendants for portal access.
- iii. Offer technical support for portal-related issues.
- iv. Conduct training programs in coordination with Delhi Police Academy (DPA).

8.5. Delhi Police Academy (DPA)

The Delhi Police Academy will impart basic and refresher training to officers and staff posted at IHD on soft skill, complainant handling and procedure to be followed in registration of cyber complaints etc.

9. **Documentation and Record Keeping**

- i. Maintain parallel electronic as well as manual registers chronologically, referencing each complaint's number, date, time, and status of action taken. The records as mentioned at **Circular No. 43/2011** dated 06.09.2011 regarding telephonic calls to senior citizens, NE states residents, women victims, etc. will continue.
- i. Ensure all relevant original paperwork, signed statements, and digital evidence are properly catalogued and stored.
- ii. Regularly update the status of complaints in electronic records including acknowledgements, action taken, and closure notes.

10. **Follow-up and Feedback**

- i. Track progress of all registered complaints and periodically coordinate with Investigating Officer (IO) for status updates.
- ii. Provide complainant with periodic feedback either through SMS, phone calls, or e-mails, as appropriate, updating them about progress and outcome.
- iii. The complainant should be encouraged to give their feedback in the format as given at **Annexure-IV**.

11. **Data Protection and Confidentiality**

- i. Treat all cybercrime complaints, especially those involving sensitive information, with strict confidentiality - do not disclose personal details to any unauthorized person.
- ii. Implement secure authentication procedures for access to complaint records by IHD staff and investigating officers.

12. **Reporting and Escalation**

- i. Compile daily, weekly, and monthly statistics of cybercrime complaints received and processed.
- ii. Timely escalate cases needing urgent intervention or involvement of other agencies to the designated cyber unit, as per established protocol.

- iii. Report trends, recurring issues, and SOP gaps to higher-ups for review and strategic response.

13. Supersession Clause

This Standing Order supersedes previous Standing Order No. L&O/09/2022 No. 3701-3850/Record Branch/PHQ dated 11.02.2022.

14. Disclaimer

It is made clear that this Standing Order is exclusively for internal smooth functioning of Police Department.

Procedure for registration of complaints related to Financial Fraud and other matters

1. Process of reporting Cyber Financial Frauds

1.1. Cyber financial fraud complaints may be reported in any of the following two ways:

1.1.1. **By Citizens themselves** on <https://cybercrime.gov.in>, also termed as NCRP – National Cybercrime Reporting Portal of the MHA –

- i. The system generates a 14-digit acknowledgment number starting with '2' – hence termed as Series '2' complaints.
- ii. These complaints will appear on the portal <https://cyberpolice.nic.in>, in the Inbox of the Cyber Police Station of the concerned district, for taking necessary action as given in the next step.
- iii. A police officer must click on the buttons "Accept Complaint" and then "Send to Intermediary" to initiate the lien marking process.

1.1.2. **Through Police Officers** (via 1930 Helpline or Visit to any Police Station in Delhi 24x7)

- i. Citizens can dial 1930 or visit any Police Station where police staff deployed at Integrated Help Desk will register the complaint on website <https://cyberpolice.nic.in>.
- ii. Once the button "Finally Submit" is clicked, the complaint is instantly sent to banks for lien marking.
- iii. These complaints generate a 14-digit acknowledgment number starting with '3' – termed as Series '3' complaints.

2. Registration of Complaints and processing of matters related to cyber complaints

2.1. Filing of Complaints on the CFCFRMS Portal i.e. <https://cyberpolice.nic.in> using authorized credentials (user id and password).

2.2. All cyber financial complaints shall be registered in the first Police Station approached by the complainant, irrespective of jurisdiction or amount involved. The concerned officer shall select the appropriate jurisdictional Cyber Police Station as per the residence of the victim or the specialized unit (Crime Branch/IFSO) while registering the complaint.

2.3. Live (24x7) acceptance and forwarding of Series '2' complaints to intermediary banks.

2.4. Educating victims about essential information and documents needed for lodging cyber fraud complaints (e.g., UTR number, account number of the victim etc.) as mentioned in the table given at **Annexure-II**.

2.5. Ensure quick and accurate reporting so that lien marking is initiated promptly, maximizing the chances of fund recovery.

- 2.6. Correction and re-submission of 'reassigned cases'
- 2.6.1. Reassigned cases involve those financial transactions which are though mentioned in the complaint but the banks are not able to trace them due to any error in the Bank account number etc. provided by the victims while reporting. Therefore, the reassigned cases are sent by banks to the Police.
 - 2.6.2. The correct reporting of cyber financial fraud is very important to minimize the reassigned cases.
 - 2.6.3. Therefore, the public at large should be apprised of the information required as per table mentioned at Annexure-II'. The information provided by the complainant should be accurately typed by the police staff at the Integrated Help Desk.
 - 2.6.4. At present, approximately 25% cases are reassigned back by banks to the police. The objective is to bring this to less than 10% in the 1st year and gradually bring the same to zero.

3. Complaints involving women or children

- 3.1. The complaints involving women or children shall be reported on <https://cybercrime.gov.in>. In this category, depending on the choice of the complainant, the same can be reported with various details either 'anonymously' (generates Series '1' complaints - the 14 digits acknowledgement number will have its first digit as '1') or with 'Report and Track' feature (which generates Series '2' complaints). These complaints will appear in the inbox of DCP District login on <https://cyberpolice.nic.in>.
- 3.2. Suspect mobile numbers used for fraudulent calls/messages shall be reported on the website <https://cybercrime.gov.in> or via the Sanchar Saathi app.

Annexure-II

Table of required information for reporting cyber financial frauds

	1	2	3	4	5	6	7	8
S. No.	Date	Time	Victim's Bank Name	Victim's Bank Account Number	Cheated Amount	UPI Id of the victim if transaction is through UPI	Unique Transaction Reference (UTR) Number (It is typically of 16 digits for NEFT, 22 for RTGS and 12 for UPI)	In case of credit card (Credit Card number & linked mobile number)
Total								

- i) Name of the Complainant: _____
ii) Mobile: _____
iii) e-mail: _____
iv) Address: _____

(Required to find out the concerned jurisdictional police station)

Annexure-III

FORTNIGHTLY REPORT REGARDING PUBLIC FACILITATION DESK

POLICE STATION _____

PERIOD FROM ____ TO ____

1.	Total number of visitors/ complainants attended by the Integrated Help Desk
