

DELHI POLICE

GUIDELINES FOR THE GRANT OF CASUAL PERFORMANCE LICENSE

1. DERIVATION OF POWERS

The Delhi Police Act, 1978 confers the powers of the District Magistrate on the Commissioner of Police, Delhi and Section 28 of the Act empowers the Commissioner of Police to make regulations for preservation of order in public places. The licensing of all performances and assemblies for public amusement is governed by the 'Regulation for Licensing and Controlling Places or Public Amusement (other than Cinemas) and Performances for Public Amusement, 1980'. It has been held by the Hon'ble High Court of Delhi in the matter of 'A.A. Sherwani Vs. Lt. 6. PROCEDURE FOR ISSUE OF LICENSE

On receipt of the application for Performance License, scrutiny will be done of the type of performance and the nature of the premises where it is scheduled to be held. For the purpose of scrutinizing the applications, following categories of venues have been identified:

1.	Licensed Auditoria - Lists of Auditoria as available online on Delhi Police Licensing website " www.delhipolicelicensing.gov.in ".
2.	Other Licensed Premises which includes banquet halls of Hotels, Registered eating houses etc. - List of hotels as available online on Delhi Police Licensing website " www.delhipolicelicensing.gov.in ".
3.	Other Premises which includes School Auditoria, Auditoria maintained by various institutions where events are held only for the members of the institution.
4.	Open Grounds- where various musical nights, exhibitions etc. are held.
5.	Road Shows

7. ONLINE FACILITY FOR LICENSED AUDITORIA AND OTHER LICENSED PREMISES

(i). Reasoning:

Licensed Premises are venues which have been given license only after obtaining the NOC from the following departments:-

- (i.) Fire Department,
- (ii.) Building Department,
- (iii.) Electrical Department,
- (iv.) Local Police and Traffic.

These premises also undergo annual checks whereby their inspection is done by the Fire, Electricity and Building Department. Given this background, it is not necessary to get 5 NOCs for each single performance, rather such a system resulted in unwanted harassment to the organizers who had to run pillar to post to get all the clearances. Hence, it was decided to introduce the Online Facility for these premises.

Thus, as part of Delhi Police Digital initiatives for "DIGITAL INDIA - POWER TO EMPOWER", the Online System for the Casual Performance Licenses has been launched for making it speedy, transparent and efficient with hassle-free services. The Online Licensing System is the latest initiative by Delhi Police for ensuring 'ease of doing work' and instant delivery by simplifying the process of issue of Casual Performance License without diluting the legal requirements. The Licensing Unit has the onerous task of not only granting licenses but for ensuring that all the license conditions are strictly enforced by the local/traffic police so that the safety, security and convenience

of citizens are not compromised. This system will do away with any physical interface between the applicant and the police/Licensing Unit before grant of Casual Performance License.

The online system is connected with the District Police and Traffic Ranges through their Nodal Officers so as to seek inputs, wherever required, by way of Assessment Reports in case of programmes to be held only at Sirifort Auditorium.

(ii) Responsibility of the Management of the Premise where Online Facility is Provided

The responsibility of furnishing NOC of Fire Department as well as the Electrical Department to the Licensing Unit in time is solely of the Management/Owner of the premises which are offering their premises to the organizer for the performance. The Management of the premises has to ensure that the organizer is briefed properly about the new online application procedure.

(iii). Responsibility of the Organizer:

The organizer of performance is responsible for the content of the programme, its ticketing and the electrical equipment and other props that will be used by them for the show. He/she shall take all modern and approved precautions for the prevention of any accident and shall abstain from any act which may tend to cause explosion.

(iv). Compliance of Directions

Once the Casual Performance License is downloaded by the applicant, it will be presumed that the Licensee has agreed to abide by the above directions and ensure compliance, failing which Licensee may be liable for appropriate legal action.

(v). Documentation for Online Facility:

The following signed, scanned documents are required to be uploaded by the applicant:-

- i) Affidavit as per Annexure-VI to be submitted by the applicant under The 'Regulations for Licensing and Controlling Places of Public Amusement (Other than Cinemas) and Performances for Public Amusement, 1980' on a non-judicial stamp paper worth Rs. 10/- duly attested by a Notary Public.
- ii) Booking slip of the premises.
- iii) Identity document i.e. anyone of AADHAR, Electric Bill, Water Bill, Voter ID, Passport.

- 2) The Nodal Officers on receiving such a request from Licensing Branch will assess the nature of programme from law & order/traffic point of view and submit their Assessment Reports online to the Licensing Branch. They will have access to all inputs received from the organizers. In case they foresee any problems in holding the programme, same should be conveyed through e-mail to the Licensing Branch.
- 3) The Nodal Officer will ensure that the Assessment Reports are sent within 24 hours.
- 4) Under no circumstances any physical contact or direct contact will be made with the organizer or his representative by the District/Traffic police before issuing the license. Any clarification required from the organizer will be taken through the Licensing Branch only. Concerned DCsP of the Districts and the Traffic Ranges will ensure strict compliance.
- 5) A copy of the Digital License issued will also be sent through e-mail to the concerned District and Traffic Range. On receipt of the Digital License from Licensing Branch on e-mail, the District and Traffic Range will make appropriate arrangements from law & order and traffic point of view and may advise or direct the organizer to make specific arrangements as per the local requirement for smooth conduct of the event.
