

STANDING ORDER NO. Crime/19/2022

REGISTRATION OF DOMESTIC HELP I.E. PRIVATE EMPLOYEES/PLUMBERS/CHOWKIDARS/SECURITY GUARD/ CASUAL WORKERS/DRIVER/PART TIME WORKERS ETC.

I. INTRODUCTION

A large number of immigrant Domestic Helps and floating labourers, chowkidars, plumbers, electricians and other casual labourers come to Delhi/New Delhi in search of employment. Some of them are of dubious character and have previous involvement in crime. The employers in many cases have no idea about their background. Some Domestic Helps have been found responsible for heinous crimes like murders, robberies etc. In spite of our advising the public through the press, T.V., Cinema slides, hand-bills and through personal contact, instances continue to be reported where complete strangers were accepted as domestic/private Domestic Helps such as chowkidars, plumbers, electricians, Security Guard, drivers, part time workers and casual workers who have later decamped with cash and valuables. The employers could not even produce their photographs and addresses. At times, people employ them without any recommendation and knowing nothing about them.

If we look at crime figures, Domestic Helps in Delhi have been found involved in 2 cases each of murder/attempt to murder in 2017 & 2018, 3 cases in 2019 and 1 case each in 2020 & 2021. Similarly, Domestic Helps were involved in 2 cases of dacoity/robbery in 2017, 4 cases in 2018, 1 case each in 2019 & 2020 and 2 cases in 2021. As far as registration of Domestic Help theft cases is concerned there were 407 registrations in 2019, 884 registrations in 2020 & 1417 registrations in 2021. As is clearly evident from these statistics, a perceptible check has been noticed in the incidence of crime committed by Domestic Helps and increase in the registration of Domestic Help forms. This check can be attributed to public cooperation in getting their Domestic Helps registered with the police and sincere efforts by respective Police Stations in getting the particulars of such Domestic Helps verified. This Standing Order seeks to put in place a streamlined system of registration of Domestic Helps, private employees and chowkidars etc. employed by individuals, Resident Welfare Associations, Market Associations etc.

II. NEED FOR CONSTANT LIAISON

It will be important for all field functionaries such as SHOs, Division Officers and Beat Staff to keep in mind that an unregistered domestic help can pose a safety and security risk to the employer/house-owner. Division and Beat Staff should, therefore, maintain constant liaison with employers who, despite police request, may not want to have their domestic help registered with the police, and sensitize them about the advantages of doing so. This process should be attached added importance in the case of senior citizens staying alone.
