

STANDING ORDER NO. 411 OF 2012

MODALITIES TO KEEP COMPLAINANTS POSTED OF DEVELOPMENTS IN CASES/COMPLAINTS LODGED BY THEM UNDER THE SCHEME "AAPKA UPDATE"

It is imperative that police officers keep complainants abreast of the developments in the enquiry/investigation underway in their complaints/cases registered in the police stations/units during enquiries/investigations. This grievance has been heard at various forums, including the recently held Jan Sampark Sabhas chaired by senior officers that the complainants are not informed of further progress in their matters. This creates unnecessary anxiety in the minds of complainants and generates a lot of ill-will for the police, in general.

It has been, therefore, decided that complainants should be kept informed of the progress of their case/complaint at regular intervals through an institutional mechanism so that complainants' involvement in the status of their complaints/cases can help in fast tracking and in course correction of enquiry/investigation. This institutional mechanism will be called "AAPKA UPDATE". The following steps shall be taken for proper implementation of this scheme on receipt of a complaint/ registration of a case:

1. On receipt of a complaint/registration of an FIR, complainant should be asked whether he/she would like to be kept informed of the developments in his/her enquiry/investigation from time to time and his/her preferred mode of communication i.e. through SMS/mobile phone call/ post /personal visit etc. This information about the consent/willingness of the complainant along with relevant information will be recorded in the D.D. entry of the complaint/case registered, without fail. After this, the

complainant shall be informed of the latest developments by concerned police officer every 15 days as per the means committed to the complainant. A proforma for providing information both in English and Hindi, is placed at Annexure "A' and "B'.

2. In case a complainant does not have a phone or does not live in the jurisdiction of the police station/unit so as to enable a personal visit, then the complainant shall be informed that he/she can visit the police station/unit for getting an "UPDATE" on the status of his/her enquiry/investigation from the concerned enquiry/investigating officer every Saturday between 4 to 6 p.m. in the police station/unit premises. It shall be the responsibility of the concerned ACP of the Sub Division/Unit to ensure that all the enquiry/investigating officers are present in the police station/unit premises at the appointed time. In case an officer is on leave or on outstation duty, the Inspector (Investigation) of police station/other senior officer of the unit should have the information readily available for sharing with the complainant.
3. Under no circumstances, a complainant will be asked to visit again to find out the status of his/her complaint/FIR on a later date. In case of inability to provide information as per the schedule given above, concerned enquiry/investigating officer will ensure a personal visit at the residence of complainant to provide the required information on the date and time promised by him.
4. Any information which could hamper the enquiry/investigation should not be disseminated.

5. Complainants should not be contacted either on phone or at their residence during odd hours.
6. It must be ensured that all complainants, especially women, are provided updated information about their case/complaint only through the mode (viz telephone, email, letter) to which they have given their consent. No one should be compelled to give phone numbers for this purpose, if they do not want to.

To ensure that the spirit behind this Standing Order is adequately conveyed to every enquiry/investigating officer in the Delhi Police, Joint CP and DCP concerned shall hold Sampark Sabhas at regular intervals with their officers and men so as to sensitize them and ensure proper implementation of the "AAPKA UPDATE" scheme. Feedback on this scheme should be taken from members of public during the "Jan Sampark Sabhas" being taken by senior officers after a gap of two months from now and, thereafter, regularly.
