

STANDING ORDER NO. 430/2014

MOBILE APP INTEGRATED WITH WEB BASED APPLICATION TO LODGE POLICE REPORT REGARDING ARTICLE/DOCUMENT LOST IN DELHI

Delhi Police has consistently been adopting new methodologies and technologies to enhance its service delivery capabilities. Towards this endeavour, it has been decided to launch a mobile and web based service for recording of information with police about article/document lost in Delhi.

This service will enable a person to lodge a report at his convenience on his Mobile Phone using the Delhi Police Mobile Application on Google play store/Windows phone store/Apple App store. Alternately, the service may be accessed through the Delhi Police Website i.e. www.delhipolice.nic.in. Once a report is lodged through mobile or on web, a digitally signed lost report would be instantaneously sent back to the complainant on mobile phone and at the given e-mail address for taking a print out in the format enclosed as **Annexure-A**.

This application will also enable its verification online. The report so generated can be used for record or re-issue of duplicate lost document/article after obtaining identity proof for any authority.

No enquiry or investigation is required to be conducted on the information received about the lost articles. This facility is not available for any loss due to theft or any crime and complainant shall contact police station in such cases. This information should be prominently displayed on the application as well as mentioned in the 'Lost Report' being issued through the system.

Duties & Responsibilities

The I.T. Centre, PHQ and SCRB shall undertake the following jobs for Mobile App & web maintained, respectively :-

1. Development, maintenance, troubleshooting, upgradation/modification.
2. Security audit from any CERT.IN empanelled firm.

3. Uploading/hosting of App/web on respective App stores/web servers.
4. Payment of periodical charges to keep the application working.
5. Keep custody of source code.
