

STANDING ORDER NO. HRD/52/2024

COMPUTER TRAINING FOR MINISTERIAL CADRE **(HC/ASI/SI/INSPR)**

1. INTRODUCTION

This Standing order lays down guidelines for imparting In-Service & Refresher Computer training to the staff of Ministerial Cadre of Delhi Police. Once paperless office is achieved, they will be required to maintain records on Computers and therefore knowledge of handling Computer is a must. The training programme is therefore structured to train Ministerial Cadre to work on computers efficiently for typing work, data-entry, query and retrieval in the form of reports from various software/applications being used in Delhi Police.

2. OBJECTIVES

The object of imparting training to a ministerial hand is to prepare her/him professionally to make use of computers to discharge her/him duties efficiently. In the course of their job, they have to put up notes and draft letters on various guidelines of senior officers as well as reply of references in a printed form. They should also be well versed with keeping records on computer for easy retrieval. The objectives of computer training of Ministerial Cadre are below:-

- a) Intensive practice of typing on computer/ word processing software such as MS-Word at fast speed with minimum mistakes;
- b) Intensive practice for use of spreadsheet software such as MS Excel for various calculations and making charts;
- c) Intensive practice for use of presentation software such as MS Power Point for making presentations;
- d) Intensive practice for use of MS Access (RDBMS) for handling and working on Database objects i.e. Tables, Forms, Queries, Report etc.;

- e) Familiarization and use of various programmes available on computers relevant to their day to day work with the aim to train the officers to maintain record and easy retrieval;
- f) Intensive practice for use of Internet to upload various tenders, updation of licensing fees of GOs and sending and collecting information/data online to minimize paper work;
- g) Familiarization and use of GeM Portal, PFMS, EIS Salary application software, Handling of GOV email ID, Kawach configuration, online APAR SPARROW, WebPIS, e-HRMS, ICMS, Quarter Allotment System, Court Case Monitoring System, CCTNS, ICJS, ZIPNET, Website and other software/applications being used in Distt. /Unit;
- h) e-office (e-fill Management System), being an integral part of the Digital India Programme, is paperless medium to achieve a Simplified, Responsive, Effective, Accountable and Transparent working in the offices of Delhi Police. The speed and efficiency of e-Office not only assists our offices in informed and quicker decision. It involves all stages of working in a file, including the scanning, electronic diarization, file creation, noting creation, digital signing on noting and drafts, dispatch, faster processing and movement of files and receipts, closing of files and receipts, and finally the archival of records
- i) New application software's launched and used in Delhi Police for official working time to time;

3. DURATION OF COURSE

- (A) IN-SERVICE COMPUTER APPLICATION COURSE- 15 Days
- (B) REFRESHER COMPUTER APPLICATION COURSE- 05 Days

4. TRAINING ASPECTS

The Training of Ministerial Staff through following In-Service, Refresher course shall be conducted for strengthening of their professional knowledge, enhance tech savvy skill through indoor classes

(A) IN-SERVICE COMPUTER APPLICATION COURSE

All ministerial staff up to the age of 58 years excluding those who have been recruited after qualifying the computer test will attend the course of 15 working days, once in service. Those who have not undergone this In-Service course, they will be un-eligible for their next promotion. The In-Service course shall be organized in STUs (Distt./Units/Bns.), Cyber Training Division (CTD), DPA/Dwarka and other training center having logistics for such training. These courses will be included in annual training calendar issued by Training Branch,

PHQ and monitor the same. DD/Training shall supervise this training course.

(B) REFRESHER COMPUTER APPLICATION COURSE

All Ministerial Staff who have completed 5 years of service including those who have qualified the Computer Test at the time of recruitment will attend the course of 05 working days, once in five years. The refresher course shall be organized in STUs (Districts, Units & Bns.), Cyber Training Division (CTD), DPA/Dwarka and other training center having logistics for such training. These courses will be included in annual training calendar issued by Training Branch, PHQ.

To review the course curriculum a committee would be constituted. The committee headed by Joint/Addl. C.P. who has extensive computer background, a Deputy Director from Delhi Police Academy, an ACP of Computer Cadre and an Inspector of Ministerial Cadre would be formed for the purpose. This committee will review the content of the course and will incorporate new topics/practical to keep the staff updated with the latest in the field. The committee will be formed by the Training Branch/PHQ under approval of Spl. CP/Training.

5. SYLLABUS

The detailed syllabus for the training is given at **Annexure 'A'**. The same may be reviewed by the committee from time to time. The training should cover the following subjects at length.

(A) COMPUTER APPLICATION IN OFFICE WORK

Delhi Police aims to computerize all its office work and function on e-Governance. Thus, the entire Ministerial Cadre must be thoroughly trained in handling of computers to achieve the above mentioned aim. An exhaustive training schedule on computer applications used in Delhi Police should be adhered to give theoretical as well as practical training on computers to ensure quality and efficiency in day to day office work and to achieve goal of a paper-less office.

(B) HANDLING OF OFFICE MECHANICAL AIDS/EQUIPMENT

Ministerial Cadre need to be adequately trained in the operation of various office mechanical aids and equipments such as computer, projector, Photostat machines, fax machines, cyclostyling machines, scanners, shredders etc.

The syllabus will be revised, amended by Training Branch/PHQ in consultation with the committee formed under this SO.

6. STUDY MATERIAL

The Director/Joint Director will constitute a committee under the Chairmanship of Deputy Director or an Assistant Director in order to prepare comprehensive study material. The Published material, PPT shall be made available in the Delhi Police Academy Library for the Ministerial Staff.

7. EXAMINATION

On completion of their course, the participants shall be examined by test prepared by ACP/DPA deputed by the Joint Director/Delhi Police Academy.

8. RELAXATION

The Commissioner of Police, Delhi may relax any of the conditions laid down in this Standing Order as per requirements arising from time to time.

SYLLABUS FOR BASIC COMPUTER TRAINING FOR
MINISTERIAL CADRE (HC/ASI/SI/INSPR)

S. No.	TOPICS	15 Days Course	5 Days Course	Marks
No. of periods				
1	Basic Computer Hardware: Characteristics of Computer System, Basic Applications of Computer; Processing Unit, Keyboard, mouse and VDU, Other Input devices, Other Output devices, Computer Memory; Concept of Hardware and Software: Hardware, Software, Application Software, Systems software, Programming Languages; Representation of Data/Information; Concept of Data processing. 1. Development in the computers (Generations) 2. Advantage of Computers in DP 3. Elements of Computer System, Hardware and Software 4. Networking devices – Switch, LAN Cable, Modem, routers, Cyber highway network. Identification of different types of cables 5. Setting Up PC–Connecting each component of computer including LAN 6. Computer Memories 7. Types of Software, Classification of Computer 8. Trouble Shooting a) Computer Related – No Power, does not start windows, Windows hanging. b) Printer related – Printer not printing, Printer get stuck, Paper gets stuck, Blurred printing, Poor quality of printing. c) Network related – Network not working, one computer not appearing in the network etc. d) Power related – UPS not working, Battery not charging.	6	2	10

2.	MS Windows/Operating System (s) 1. Basics of Operating System: Operating system, Basics of popular operating system (WINDOWS, UBUNTU). 2. The User Interface: Task Bar, Icons, Start Menu, Running an Application-notepad, paint etc. 3. Operating System Simple Setting: Changing System Date And Time, Changing Display Properties, To Add Or Remove A Windows Component, Changing Mouse Properties, Adding and removing Printers. 4. File and Directory Management: Types of files, What is a file, Naming conventions, File Extensions, File Pathway, Windows Explorer window, Viewing files, File property dialogue box, Explain file size (bytes, kilo, mega, giga, tera) and abbreviations used, Create a Folder, Move a file (multiple files) into a folder, Delete files and folders, Recovering deleted files, Renaming files, Searching for files, Creating and deleting shortcuts on desktop, How programs may save files in specific location by default. How to find where file is being saved. 5. Desktop: exploring the desktop, cleaning the desktop. 6. How to set automatic updates for windows operating system 7. Safety/Security measures in operating system i.e. firewall	6	2	10
3.	MS Word 1. Opening Word Processing Package, Menu Bar, Using The Help, Using The Icons Below Menu Bar; 2. Opening Documents, Save and Save as, Page Setup, Print Preview, Printing of Documents, Printing on note-sheets; 3. Text Creation and manipulation: Document Creation, Editing Text, Text Selection, Cut, Copy and Paste, Spell check, Thesaurus; 4. Formatting the Text: Font and Size	18	6	15

	selection, Alignment of Text, Paragraph Indenting, Bullets and Numbering, Changing case; 5. Set page margin, paragraphs and sections within a document, Adjust indents and hanging indents; 6. Table Manipulation: Draw Table, Changing cell width and height, Alignment of Text in cell, Delete / Insertion of row and column Border and shading, Table formulas; 7. Inserting Graphic Elements: Insert a clip art picture, insert symbols and special characters, adding a watermark; Using word art; adding a drop cap. 8. Mail Merge: Using mail merge; printing mailing labels; merging for sending emails using outlook.			
4.	MS Excel 1. Creating a workbook, worksheet. 2. Use of Formula, Function and analyse the data, formatting. 3. Data, Manipulation of Cell, Row and Column. 4. Importing and exporting of data sheet from others file formats. 5. How to open MS Excel Sheets or workbook? 6. Features of MS Excel: - Home, Insert, Page Layout, Formulas, Data, View, Review.	18	6	15
5.	MS Power Point 1. Preparation of new PPT by creating a new slide and editing in existing slides. 2. Inserting Pictures, Graphs, Charts, Table, Smart Art Graphs and Audio/Videos files. 3. Changing and designing slides with different layout and themes. 4. What are the uses of MS Power Point? 5. How to create slides in MS Power Point? 6. Features of MS Power Point: - Home,	18	6	15

	Insert, Design, Transition, Animation, Slide Show, View, Review, Recording & Layouts.			
6.	MS Access 1. Blank Database 2. Datasheet view, design view, formulas, filter, freezing data. 3. Creating tables, Forms, Queries, Report. 4. External data i.e. exporting data from other sources like MS word, MS Excel 5. Database tools.	18	6	15
7.	Internet and accessing Internet sites relating to DP 1. Introduction to various browsers 2. Setting of various security options 3. Create/reply an GOV email, using Kawach 4. Searching/surfing internet 5. Detail uses of websites relating to Delhi Police i.e. Training, Nipun, Websites of Delhi Police & Citizen Services.	18	6	10
8.	Intra DP's various modules and other software e-office (e-fill management system), using PFMS, e-HRMS (Human Resource management System), Integrated Complaint Monitoring System (ICMS), HM/LG e-listening post, Cyber Highway Network, Web PIS, CCMS, e-Learning of DPA (i.e., NIPUN) Website of Training Division, DP web application (i.e., website of DP/ Crime, Traffic, Licensing, SPUWAC, EOW & Citizen Services etc. DP Mobile Apps such as e-beat book, Lost Report, Himmat+, Tatpar, ZIPNET etc. and other application being used by Distt. /Units such as payroll. Operation of Various Office Mechanical aids and equipment etc.	18	6	10
	Total	120	40	100
