

STANDING ORDER NO. L&O/51/2022

DUTIES AND RESPONSIBILITIES OF POLICE STAFF POSTED AT VARIOUS HOSPITALS

1. INTRODUCTION

Police personnel are posted to various hospitals in Delhi for their round the clock presence to attend to the medico legal cases (MLCs) and to maintain liaison with hospital authorities, which is required from time to time. This Standing Order contains instructions applicable to all police personnel posted at police posts established in various hospitals.

2. AIMS AND OBJECTIVES

The aims and objectives of establishing PPs at various hospitals and posting police personnel there are as under:-

- a) To receive, collate and disseminate promptly all information regarding medico legal cases like accidents, un-natural injuries/deaths, burn cases, deaths/injuries due to bomb explosions, terrorist activities, crimes, i.e. murder, dacoity, robbery, rape, hurt, etc; deaths due to drowning, poisoning and natural calamities, such as earthquakes, floods, etc. deaths/injuries due to law and order problems, death, etc. and to maintain a complete record thereof.
- b) To inform the concerned police stations in NCT, Delhi and the adjoining districts of other States.
- c) To assist the victims/relatives of victims for ensuring timely help and providing relevant information to them.
- d) To keep a proper record of MLCs/Post Mortem (PM) cases and to pursue with the concerned doctors for their expeditious opinion/report.
- e) To inform the concerned police station immediately regarding receipt of results of MLCs/postmortem Cases.

3. ROTATION OF DUTIES

The staff shall perform duties in three shifts according to availability of staff. An upper subordinate posted as I/C P.P. should supervise the working of staff under the overall supervision of the ACP/SDPO and SHO concerned in whose jurisdiction the hospital is situated.

4. ACCOMMODATION

Sufficient accommodation shall be got arranged by the concerned district DCP for the staff, records and visitors with the help of hospital authorities. As far as practicable, the P.P. should be accommodated in a room/rooms near the Emergency Unit of the hospital which should be an easily accessible to all and shall be provided with furniture/equipment to make it a reasonably comfortable work place.

5. COMMUNICATION FACILITIES

The P.P. at the hospital shall be provided with telephone lines from the hospital exchange and a direct telephone/ extension of EPABX. In addition, hotline facility with the Control Room of the concerned district should also be provided in important hospitals.

6. MAINTENANCE OF PHONE CALL RECORDS

It shall be the personal responsibility of the I/C PP to ensure that all equipment are kept in order and not misused. Proper record of all calls received/made indicating date, time, brief of calls, from whom received or to whom made and action taken, etc. relating to all MLCs shall be maintained in a register as per **Annexure-I**. It shall be the duty of I/C PP to ensure that the register is properly maintained. The I/C P.P. shall append his signatures with date at the close of the entries in the said register each day. Duty Head Constables/Constables posted in the hospitals shall maintain and keep such records where I/C PP is not posted. SHOs/ACsP shall check this fact personally during their visits to hospital and record their observations.

7. (A) DUTIES OF STAFF POSTED AS DUTY HEAD CONSTABLE/ DUTY CONSTABLE IN HOSPITAL

- a) The staff deployed on duty will ensure that the doctors attending the injured/casualties and preparing the MLCs are duly assisted by the police informing them about the police

station in whose jurisdiction the incident has occurred and obtain other such details from the victim and persons accompanying him.

- b) Information regarding the incident shall be conveyed to the concerned Police Station in Delhi/neighbouring districts by the quickest possible means and its record be maintained in the register as per **Annexure-I**.
- c) The staff on duty shall keep in their custody all articles pertaining to the victim and the case, including the apparels/clothes of the victim, and ensure that they are not destroyed or disposed of/thrown away by the hospital staff during treatment. The same shall be handed over to the I.O. immediately under proper receipt. They shall make a record of such articles in a register as per **Annexure-II**.
- d) The staff shall take into custody all exhibits duly sealed by the doctor in heinous offences such as murder, dacoity, robbery, rape etc. They shall hand over the same to the IO. They shall keep a record of such documents/material in a register as per **Annexure-II**.
- e) In serious cases where there is some delay in arrival of the I.O the staff on duty should talk to the victim and try to elicit as much information as he can about the incident. He should also take initiative in getting the dying declaration recorded in the presence of doctor on duty before the arrival of local police and the Magistrate, in cases, where the condition of the victim is extremely precarious and chances of his/her survival are bleak. In such cases, as far as practicable, the staff on duty should arrange for the dying declaration to be video recorded, subject to ensuring the dignity and privacy of the victim. He should also have full information about the location and ward etc. where the victim is admitted.
- f) On being informed by the CMO about the discharge/absconding/LAMA or death of the victim for whom an MLC has been prepared, police personal on duty, shall inform the police station concerned and the nearest kin of the victim by the quickest means and maintain a record of the same.

(B) DUTIES OF I/C/PP

- a) Police personnel on duty must acquaint themselves with the topography and other relevant information relating to the hospital, and the various wards/departments. Also, the I/C PP in coordination with the concerned hospital authorities, obtain

a copy of the contingency plan along with all important contact details, to deal with any unforeseen situation or in case of a disaster. Such plan must be thoroughly studied by the I/C PP and shared with the concerned SHO. The contingency plan and contact details should be reviewed and updated on quarterly basis.

- b) The I/C PP shall in coordination with the concerned Division/Beat Officer ensure that the entries & exits are kept clear of all obstructions.
- c) During National functions like Republic Day, Independence Day and other major events, he would coordinate with the in-charge of the special arrangements made at the designated hospitals. He shall ensure proper anti-sabotage check of vehicles/parking area and access control on the day of such events.
- d) In case of serious offences like riots, terrorist attacks, bomb blasts or natural calamities like earthquakes, fire and floods, etc., the I/C PP shall keep a ready record of the injured persons admitted to the hospital with their names, age, addresses, etc.
- e) The I/C PP shall ensure that an upto date list of telephone Nos. of Police Dept., hospitals and Magistrates who are required to be summoned for recording a dying declaration/inquest, etc. is maintained at the police post.
- f) In case an unconscious/unidentified person is brought to the hospital, action will be taken as per SO No. L&O/50/2022 relevant to the subject.
- g) In case of major incidents resulting in inflow of large number of victims, their relatives/well-wishers, etc. and VVIP movements, the I/C P.P. shall immediately inform his concerned SHO, who in turn shall request for suitable law and order and security arrangements through his district DCP. The I/C PP shall also, in coordination with the hospital authorities, make suitable arrangements/plan for receiving and handling large number of victims.
- h) In case of bomb blast victims arriving at hospitals, the concerned I/C P.P. must request for a thorough anti-sabotage check to be organized to prevent secondary blasts. The hospital premises be got cleaned of all parked vehicles except those identified as belonging to the Hospital staff which also should be got checked.

- i) PCR calls related to minor administrative issues like non admission in hospital, etc. will be dealt with by I/C PP or staff on duty at police post.
 - j) In case of a rape or POCSO victim is brought to the hospital for medical examination, action will be taken as per SO No. SPUWAC/05/2022 relevant to the subject and the I/C PP shall coordinate with concerned doctor and the officials of one stop center for expediting the medical examination of victim.
 - k) Postmortem cases in which there are chances of gathering of mob or disturbance of peace in the area, the I/C PP staff on duty of police post will coordinate with the doctor/forensic department and get the postmortem of deceased conducted on priority basis.
8. Experience has shown that a number of D.D. entries/cases registered in police stations do not get finalized early for want of MLCs/postmortem reports etc. The staff posted in the hospitals does not maintain a systematic record regarding MLCs/postmortem cases or do not keep track of these cases and sometimes fail to inform the concerned IO though reports/results are ready since long. In order to cut such delays, I/C P.P. in the hospitals is required to keep proper record of all MLCs/Postmortem cases and pursue the matter with the concerned doctors to get their opinion expeditiously. For that purpose, the following system shall be adopted:-
- a) Whenever an injured person is taken to/admitted in a hospital, the IO concerned would visit the hospital. In case of death, the dead body would be shifted to the mortuary.
 - b) Each Police Post/Police Station who has jurisdiction of hospital would have sufficient number of police personnel posted in the casualty. It is the responsibility of these police personnel to liaise with the hospital authorities for various purposes.
 - c) These police personnel would also maintain a register as per **Annexure-III** where details of MLCs prepared in the hospital would be entered.
 - d) Whenever an IO approaches the hospital for getting reports about the nature of injuries, whether simple or grievous, he shall deposit the relevant papers (MLC) with the police personnel posted in the hospital's PP who shall make an entry of the details of the MLCs in the register and put his initials in the relevant column as a token of acknowledgement of the MLC. The I.O. may also (if he feels so) obtain the signature of the concerned police person in PP on the photocopy of the MLC

as acknowledgement and record. It would be the duty of the PP staff to keep in touch with the doctors and obtain final opinion on MLCs.

- e) It would be the duty of the PP staff to keep in touch with the doctors and obtain final opinion on the MLCs.
- f) One Head Constable or Constable shall be responsible to collect opinion on MLCs pertaining to his district/unit and keep a record of it. This Head Constable/ Constable would sign in the relevant column of the MLC register as a token of having received the report.
- g) It would be the duty of the Head Constable/ Constable so deputed to send these reports/opinion to the SHO of the concerned police station or Officer in-charge or to the concerned I.O. He would maintain a register for this purpose as per **Annexure-IV**.
- h) The P.P. staff shall prepare a Monthly Goshwara of pending MLCs on the first of every month and send the same to the Medical Superintendent of the concerned hospital with a request to expedite the pending reports. A copy of the same should be endorsed to the district/unit DCP concerned for his information.
- i) Inspector investigation under the supervision of SHO shall maintain a register for monitoring MLC reports as per **Annexure-V**.
- j) The Duty Constable/Head Constable/IC PP shall not share any sensitive information with any media group/institute/body unauthorisedly.
- k) At least one Head Constable/Constable should be posted as Liaison officer in each mortuary.

9. Sometimes following a death either outside or in hospital, the body is sent to the mortuary. While hospitals like AIIMS, Safdarjang, LNJP, DDU, Sanjay Gandhi Memorial, Lady Harding, Babu Jagjivan Ram, Lal Bahadur Shastri, R.M.L. Hospital and G.T.B. hospital have mortuaries attached to the hospitals, however, the postmortem cases of the following hospitals are conducted at the mortuaries mentioned below against them:-

| b) Aruna Asaf Ali Hospital | -do- |
| c) Sushrut Trauma Centre | -do- |
| d) St. Stephens Hospital | -do- |
| e) Jassa Ram Hospital | LNJP Hospital |
| f) Ambedkar Hospital | Sanjay Gandhi Memorial Hospital |

g) S.D.N. Hospital, Shahadra Subzi Mandi Mortuary

10. The staff deployed in hospitals where mortuaries are attached would also look after the postmortem cases for which a separate register should be maintained as per **Annexure-VI**.
11. The above staff shall perform all the duties of the staff posted at PPs in the hospitals, as narrated. Every police station/unit should maintain a Post Mortem Register as **Annexure-VII**.
12. The hospital wise existing distribution of work relating to Medico Legal Cases and Post Mortem is enclosed at **Annexure-VIII & IX** respectively.
13. The MLCs and Postmortem Register should be available with the Duty Officer in Reporting Room. Entries of all injured persons sent to the hospital either by the Duty Officer or Emergency Officer or by the Investigating Officer or in any other manner, shall be entered in that register and followed up. The Inspector Investigation under the supervision of SHO should check these registers daily and ensure expeditious receipt of MLC/PM reports.
14. The ACP I/C Sub-Division should go through the MLC and postmortem Registers during his visits to the police stations. He should give his remarks in both the registers in case of delay in the receipt of reports and the action taken or required to be taken for expediting the same.
15. Any delay in the receipt of MLC/postmortem reports should be taken up with the concerned hospital through the district DCP and the staff of PP of the hospital.
16. Any delay in the receipt of viscera report should be taken up with the FSL/CFSL by the ACP/DCP concerned.
17. **REGISTERS TO BE MAINTAINED**

The following registers shall be maintained at every hospital/police station as per Annexure indicated against each:-

- a) Telephone Calls Register as per Annexure-I
- b) Victims Reception Register as per Annexure-II
- c) Medico Legal Cases Register (all hospital) as per Annexure-III
- d) MLCs Results Register as per Annexure-IV
- e) MLCs Monitoring Register (at P.S) as per Annexure-V
- f) Post Mortem Register (at Hospital) as per Annexure-VI
- g) Post Mortem Register (at Police Station) as per Annexure-VII
